

MIT Women's Initiative

Career Workshop in Engineering

JOIN US

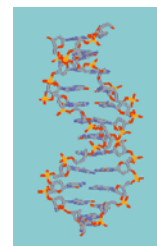

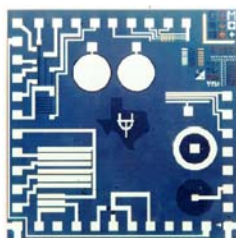

All 9th – 12th Grade Students

Friday Jan 26, 2007 @ABRHS

Period 3, 6, 7 & 8 (attend any 1 period)

Separate Sessions for Boys and Girls

- Learn: What is Engineering?
- Illustrate: Engineering as a rewarding career
- Fun: Activity on Engineering concepts
- Presenters: Share their experiences as Engineering students

**Supported by Acton Boxborough Regional
School District & Acton PIP**

Sign Up @ ABRHS Counseling Center: Contact Mrs. Groener
(Indicate name, period you wish to attend and obtain permission from
your teachers if planning to sign up during a regular scheduled class)

PIP is a coalition of parents, Acton-Boxborough schools, community members, and business partners who promote Science, Technology, Engineering and Math (STEM) education.
This workshop is funded by a community grant from IBM.
