Present

5th Grade Market Math Mania

Tuesday, February 9, 2010

Open House 4:30 – 7:30pm

Parent Involvement Project — PIP

*Increasing Community Involvement in
Science, Technology, Engineering and Math (STEM) Education.*

Acton-Boxborough PIP is a group of parents, educators and community partners supporting Science, Technology, Engineering and Math (STEM) education K-12. For more info about PIP including “at home” Market Math activities visit the PIP website at actonpip.org or send e-mail to actonpip@yahoo.com.

WELCOME TO PIP MARKET MATH MANIA

We hope you enjoy the activities presented for you and your 5th grade child today. Complete as many stations as you would like in any order you want. **This is a parent/child event in a public venue. Please make sure that your child remains with you throughout this event.**

You can collect a “stamp” for each Market Math activity station visited on the pass below:

Market Math Station Pass

<i>Station (skills)</i>	<i>Stamp</i>
1. Measure It Up (Measurement/Weight/Volume)	
2. To What Degree? (Recording & Converting Temperature)	
3. Skittles Statistics (Sorting/ Computation/Statistics)	
4. The Price is Right (Estimation/Unit Pricing)	
5. Scan It (Estimation/Barcoding/Computation)
