MARKET MATH

ACTON - Acton PIP (Parent Involvement Project) and Roche Bros. of Acton present:

THIRD Grade Market Math Mania on Tuesday, March 11
FIFTH Grade Market Math Mania on Wednesday, March 19

Both events run from 4:30 to 7:30 p.m. Events feature an extravaganza of hands on "super" market activities, complimented by samples, give-a-ways and tons of fun. Market Math Mania is designed to help children better understand how classroom math concepts are applied in the "real world". Children and their accompanying adult will visit stations set up throughout Roche Bros. to facilitate this learning.

Acton PIP efforts focus on the enrichment of math, science and technology education. For more information call Dawn Gomez at 978-264-9686 or Shelley Sherman at 978-263-7137 or e-mail actonpip@yahoo.com
